The Indian Institute of Astrophysics (IIA) is an autonomous academic national institution of the Department of Science & Technology, Govt. of India dedicated to research in Astronomy, Astrophysics and Allied Sciences & Technology. The Institute has its main campus in Koramangala, Bengaluru and CREST campus at Hosakote, Bengaluru. It operates field stations at Kavalur & Kodaikanal in Tamil Nadu, Gauribidanur in Karnataka, and Leh/Hanle, Ladakh in Jammu & Kashmir.

India has joined the Thirty Meter Telescope (TMT) project, the next generation astronomical observatory that will be located on Mauna Kea, Hawaii. India’s participation in the TMT Project, led by the Indian Institute of Astrophysics (IIAP, Bengaluru, Inter University Centre for Astronomy and Astrophysics (IUCAA), Pune and Aryabhatta Research Institute for Observational Sciences (ARIES), Nainital is coordinated by the India TMT Coordination Centre (ITCC) hosted at IIA, Bengaluru. The TMT project is an international partnership between California Institute of Technology (CalTech), Universities of California, Canada, Japan, China and India. More details about the project may be obtained from [http://tmt.iiap.res.in](http://tmt.iiap.res.in)

The Thirty Meter Telescope (TMT) will be the world’s most advanced ground-based observatory that will operate in optical and mid-infrared wavelengths. It will be equipped with the latest innovations in precision control, phased array of mirror segments and laser guide star assisted adaptive optics system. At the heart of the telescope is the segmented mirror, made up of 492 individual hexagonal segments, each 1.44-m in size. Precisely aligned, these segments will work as a single reflective surface of 30-m diameter. India is responsible for providing various critical hardware components and software to the telescope as part of in-kind contribution. Manufacturing of the sub-systems by Indian industry are at various stages.

Online applications are invited from dynamic and highly motivated individuals for the following positions to work at the India TMT Co-Ordination Centre:

**Post No.: IIA/14/2017/01**

Place of Posting : Bengaluru
Age Limit : 26 years

Qualification: A Bachelor's degree in Mechanical/Production Engineering from a University/Institution recognised by the UGC/AICTE with a minimum of 60% marks or equivalent grade.

Desirable basic knowledge: Manufacturing processes, Mechanical drawings, Measuring tools like Vernier Calliper, Micrometer, etc, Microsoft Office and CAD tools like Solidworks.

Job Description: The selected candidate will be a member of the India TMT team. Responsibilities include but not limited to:

i) Conducting study of production documents like mechanical drawings, process sheets, inspection reports, etc.

ii) Preparation and Review of reports based on the study of the above mentioned documents.

A positive performance in this role will lead to increased responsibilities. Job may require frequent travels within India.

Terms & Conditions:

1. The appointment is purely on temporary basis and does not confer any privilege or benefit applicable to regular employees. No claim whatsoever for regular employment in the Institute shall be entertained.

2. The tenure of appointment is initially for one year and extendable for two more years subject to satisfactory performance of the candidate and requirement of the project.

3. The remuneration indicated is a consolidated and is inclusive of all allowances.

4. There will be annual increase based on satisfactory performance.

5. The date of determining the upper age limit, qualifications, etc. shall be the closing date prescribed for receipt of completed applications.

6. Age relaxation is permissible to SC, ST & OBC candidates and also to physically handicapped candidate as notified by Government of India from time to time.

7. The candidates selected will be posted to work in ITCC/IIA, Bengaluru and are liable to be posted anywhere in India as per the requirement of the Project.
8. Outstation candidates called for interview will be reimbursed to and fro train/bus fare by the shortest route limited to second sleeper class railway fare on production of tickets.

9. The prescribed educational qualification is minimum required and mere possession of the same does not entitle candidates to be called for interview. Where the number of applications received in response to the advertisement is large and it will not be convenient or possible for the Institute to interview all those candidates, the Institute reserves the right to limit number of candidates to be called for interview on the basis of percent age of marks in degree and desirable basic knowledge.

10. Candidates of Indian Nationality only can apply for this post.

11. The Institute reserves the right to cancel the entire recruitment process at any time without assigning any reasons whatsoever.

12. No correspondence will be entertained with the candidates not selected for interview/appointment. Canvassing in any form will be a disqualification.

13. Candidates meeting the above requirements and willing to be considered for the above said position may submit application through online only.

14. Misrepresentation or falsification of facts detected at any stage of the selection process or instances of misconduct/misbehaviour at any stage during selection process shall result in cancellation of candidature without any notice and no correspondence in this regard shall be entertained.

15. The last date for receipt of application is 19-01-2018.

16. Important dates to remember

   Opening date for on-line registration: 20-12-2017.
   Closing date for on-line registration: 19-01-2018.
